SUBJECT: Revisions Update

Will, Mary and I reviewed the storyboard corrections from the past few days, and here are the results. In some of these cases, Mary spoke with John, and for the rest, Will is going to call John. Let me know if you have any questions.

All the revisions were fine, except for the following:

- UNTAMED WORLD (for full explanations, please refer to Will's original memo)
- ✓ 2. p. 24 John is changing the egg drop drawing
 - ✓ 3. p. 26 Should be "where it goes"
 - 4. p. 40 Still can't say god
 - ✓ 5. p. 62 "First material possession" line to change
 - ✓ 6. p. 82 Ren to look different
 - ✓ 8. p. 21-22 John will fix dialogue

SPACE MADNESS

- 1. p. 83 Will said John is fixing and adding transitional shot - we need to see board
- 2. Vanessa did not approve new gibberish dialogue
